Call for tenders question list

#	Submission date	Publication date	Question subject	Question	Answer
1	04/10/2016 12:39	05/10/2016 15:44	Deadline Extension	Since the Agency applies the accelerated procurement procedure we understand that Agency aims at a speedy award of the contract. The timeline between the publication date on 1 October 2016 and the foreseen submission deadline of 6 October 2016 is however not considered sufficient to submit a compliant offer and we therefore request an extension of the submission deadline of at least 15 days.	05/10/2016 The deadline for the submission of offers was extended until 19/10/2016 and the date for the public opening session is changed for 26/10/2016. The appropriate changes in the Contract Notice and e-Tendering will follow.
