Status: Closed

Call for tenders question list

#	Submission date	Publication date	Question subject	Question	Answer
1	09/06/2017 16:36	15/06/2017 09:13	Evidence A1	<p>The ToR states: "Criterion A1: the average annual turnover of the tenderer for the last three years for which the accounts have been closed has exceeded 1,000,000 EUR</p> <p>Evidence A1: - Copy of the profit & loss account for the last two years for which accounts have been closed."</p> <p>Can you please clarify if we need to submit the profit & loss accounts for the last 2 or 3 years? And, if the tenderer on its own without identified subcontractors is complying with Criteria A1 is it sufficient to submit the evidence for the tenderer only or should the identified subcontractors also submit the evidence?</p>	<p>15/06/2017</p> <p>There is indeed an inconsistency in the requirements for this selection criterion. To clarify, the tenderers need to submit the profit & loss accounts for the last 2 years. The criterion A1 is evaluated at the level of the consortium. So its fulfilment (if established by the evaluation committee) by only 1 of the member of a consortium would be sufficient.</p>
