1	02/03/2018 11:55	05/03/2018 11:00	Supply of personal protective equipment (PPE) and safety equipment.	Good morning, I am kindly asking you if there is a minimum number of orders per deliveries? How many annual deliveries are foreseen? Kind regards	05/03/2018 No minimum number for the deliveries is foreseen. In the technical specifications it is indicated a maximum 5 working days (except special cases, upon prior authorisation) for delivery after an order is transmitted via electronic system. It is possible to deliver various orders in one delivery or to make partial delivery of an order. It depends how the company is organising itself.
2	05/03/2018 11:20	05/03/2018 11:28	Supply of personal protective equipment (DPI) and safety equipment	Good morning, I would like to kindly ask you if the deliveries must be made always to the same place. Thank you	05/03/2018 All the deliveries must be made to the Ispra site, to the various departments indicated in the order made via electronic catalogue.

3	05/03/2018 12:05	07/03/2018 16:27	English Documentation	Could you provide me with the documentation in the English Language?	07/03/2018 The translation in English was published. You need to download by selecting the English language.
4	20/03/2018 15:41	20/03/2018 18:06	Request regarding a specific product	Good morning, what type of product is required under category no. 6, line 107, TOWELS LUNG. +/-100 mm? Thank you	20/03/2018 In the category no. 6, line 107, TOWELS LUNG., it should be read +/-1000 mm instead of +/-100 mm. We are kindly asking you to use the last version of the file which is just published.
5	20/03/2018 15:51	21/03/2018 12:22	Request regarding point II.4.15 General conditions for the framework contract for supplies, of the document EN-2.Draft framework contract for supplies	Good morning, regarding the packaging, we are asking if the following data: — name of contracting authority and address for delivery; — name of contractor; — description of contents; — date of delivery; — number and date of specific contract; — EC code number of article, can be reported of the consignment note instead of indicating them the label of each box. Thank you	21/03/2018 Good morning, for the present contract, it is enough to indicate the recipient and the number of the contract on each box. The consignment shall be placed on the outside of the package and shall indicate the address of JRC, the no of the contract or the order, the content of the box, the number of the boxes and the weight of the boxes. It is noted that the Article I.12 of the contract was modified to formalise these aspects. Please see the revised version of the contract that is just published.
