Call for tenders question list

#	Submission date	Publication date	Question subject	Question	Answer
1	26/04/2019 11:42	29/04/2019 10:04	External experts	There is a requirement to provide an original letter of intent for identified subcontractors. We would like to clarify the following: if we decide to include individual external experts who's capacity is not necessary to fulfill the selection criteria and they will take up less than 10% of the total contract value, do we count them as identified subcontractors and do we need to provide original letters of intent from each individual? or is it enough to include their CVs?	29/04/2019 An external expert (with respect to the tenderer) can participate in the tender either by jointly presenting the offer with the tenderer, by setting up a consortium or a group or by being appointed as a subcontractor. It is up to the tenderer to decide in which form to present the offer. Regarding subcontractors, tenderers are required to identify all subcontractors whose capacity is necessary to fulfill the selection criteria (point 1.8 of the tender specifications). The identified subcontractors must provide a letter of intent (point 1.10 of the tender specifications).
