3	20/05/2019 12:07	22/05/2019 13:16	Electronic signature of the documents, e.g. Declaration(s) on honour	Dear Sir, we would like to know if the documents signed electronically could have the format .p7m (certificated electronic signature InfoCert). Regards.	22/05/2019 Files with extension '.p7m' are not supported by e-Submission because it requires special software to decrypt. The tenderer shall convert the document into pdf, sign with an certified electronic signature and then upload the e-signed document.
4	22/05/2019 10:07	24/05/2019 16:11	SHED gas analyzer lines - propane mixtures in air or nitrogen?	Given that for the correct functioning of the bench, propane mixtures in the air are needed, with reference to the 6 (six) gas lines available for the operation of the analyzers associated with the Shed, the 3 (three) gas mixtures are propane in air or propane in nitrogen ? We thank you in advance for the clarification	24/05/2019 At the moment there is no gas bottle connected to the existing SHED. The gas lines can accept bot mixtures. As already communicated, in case the pressure regulators have to be replaced, these shall be included in the supply.
5	31/05/2019 12:30	03/06/2019 10:22	Legal and regulatory capacity	Regarding the Legal and regulatory capacity, as prof it has to be provided the Legal Entity Form or it has to be provided other document?	03/06/2019 The legal and regulatory capacity shall be proven by proof of enrolment in a relevant trade or professional register 03/06/2019 or any document which proves that the tenderer is authorised to perform the contract in its country of establishment
