1	14/05/2019 18:42	15/05/2019 14:11	Eligibility and lead partners	We were wondering if a British partner could undertake this work or whether you anticipate Brexit being a barrier.	<p>15/05/2019</p> <p>Participation in tendering procedure is open on equal terms to all natural and legal persons from one of the EU Member States and to all natural and legal persons in a third country which has a special agreement with the European Union in the field of public procurement on the conditions laid down in that agreement. This procurement procedure is not opened to the countries parties to the plurilateral agreement on government procurement - GPA (except those mentioned in the previous paragraph). Please be aware that after the UK's withdrawal from the EU, the rules of access to EU procurement procedures of economic operators established in third countries will apply to candidates or tenderers from the UK depending on the outcome of the negotiations. In case such access is not provided by legal provisions in force candidates or tenderers from the UK could be rejected from the procurement procedure. The European Council agreed to a further extension of the date for the UK's withdrawal from the EU at its meeting on 10-11 April. The extension will last as long as necessary and, in any event, no longer than 31 October 2019. Therefore, this contract may be carried out by the tenderer from the</p>

					carried out by the tenderer from the UK in accordance with project implementation schedule.
2	24/05/2019 11:44	24/05/2019 13:21	start date of the contract	The start date of the contract is not specified in the ToR, nevertheless we concluded that the contract should start by mid-September. Could you please confirm the date, as this information is needed by subcontractors to complete the period of availability in the Statement of exclusivity? Thank you.	24/05/2019 Implementation of the contract may not start before the contract is signed by both parties, once it is signed, the contract implementation begins. The indicative start of the contract is July, 2019. However, this is not binding as the submission of the offers is still ongoing.

3	27/05/2019 11:15	27/05/2019 11:22	Key experts in the project	<p>It's mentioned on page 39 of the Tender Specifications: "Note that non-key experts must not be asked to sign statements of exclusivity and availability. Any expert who is engaged in an EU/EIGE-financed project, where the input from his/her position in that contract could be required on the same dates as his/her activities under this contract must not be proposed as a key expert for this contract under any circumstances. Consequently, the dates included by a key expert in his/her statement of exclusivity and availability in your tender must not overlap with dates on which he/she is committed to work as key expert on any other contract." They key experts are only the project's core team (Project manager, Senior Researchers, Researchers and editor) or also the 28 national Researchers ? Thank you,</p>	<p>27/05/2019 They key experts are only the project's core team, not the national researchers.</p>

4	24/05/2019 15:16	27/05/2019 14:39	Technical and professional capacity- evidence for T2	Could we please ask for further clarification on the evidence required for T2? Our initial interpretation is that you are expecting tenderers to liaise with Member State contacts and request a letter of intent to work with our organization in the future- could you confirm on this? Would a statement of completion/ satisfactory undertaking from contact points suffice?	27/05/2019 As stated under Criterion T2, the tenderer must prove its capacity to collect data and information from each Member State (MS), by liasing with experts, researchers from each MS. The tenderer is asked provide a letter or statement from the national experts showing their intention to cooperate with the tenderer, the statement of completion or satisfactory undertaking will be sufficient as evidence.
