## Call for tenders question list

#	Submission date	Publication date	Question subject	Question	Answer
1	04/07/2019 20:21	05/07/2019 15:44	Clarification on selection criteria - Criterion B4 (Team for data collection)	Criterion B4 requires that "Collectively the team of at least six people should have knowledge of the following EU languages: English, German, French, Italian, Spanish, and Dutch, and proven experience of five years in data collection techniques." Does the five years of experience in data collection techniques also relates to the team collectively or is this required for each member of the data collection team?	<b>05/07/2019</b> Many thanks for the question, which gives the opportunity to clarify text that might possibly read as ambiguous. The experience of five years in data collection techniques should be proven for at least one member of the team.
