| 3 | 03/09/2014<br>14:03 | 08/09/2014<br>09:44 | Metrics of ODS uptake and impact | Could you please specify if the metrics to be developed within this study refer exclusively to the level of uptake of ODS (as a measure of impact of applied policy measures and programmes)? or does the study also need to cover the metrics of the actual impact of ODS on society (e.g. impact on education, innovation etc.)? | <b>08/09/2014</b><br>The metrics will focus on the uptake of ODS (in programmes, in funding, in institutions etc). It is, however, necessary that the study also analyses possible social/economic impact of ODS as described in TS. To include this analysis in the metrics seems, however, too early. Remark: ODS and education is part of ODS uptake. |
