5	31/05/2020 22:48	02/06/2020 09:04	Express an interest to bid	I am trying to express my interest to bid for your coming tender but I get a message that the business sector of my company is not valid. My company works in general trading plus activities in many other sectors so please let me know how I can register my interest in your system to receive the tender documents.	02/06/2020 To indicate your business sector you cannot use a free text (e.g. consultancy) - you have to select one of the values proposed when you start typing (e.g. Financial management consultancy services, Business and management consultancy and related services) . The values proposed come from the Common Procurement Vocabulary list (see https://simap.ted.europa.eu/en_GB/web/simap/cpv). You can also enter directly a CPV code (e.g.79412000 is the code for Financial management consultancy services). Please note that all the information available about the planned procedure at this stage can be found in the eTendering planned call for tenders page. The documentation of the actual call for tenders (invitation letter, tender specifications and draft contract) will be provided only to invited candidates when the planned procedure is launched in eTendering.
