#	Submission date	Publication date	Question subject	Question	Answer
1	19/05/2015 11:53	21/05/2015 17:27	Clarification about the technical and professional capacity criteria	<p>The third technical and professional capacity criterion states: "At least 1 member of the proposed team must have completed tertiary education qualification and a Senior position in an academic or research institution."</p> <p>a) What do you mean by "senior position ..."? That this person must currently hold such a position? Or can have held it in the past? For how long?</p> <p>b) could you please specify what constitutes i) senior position, ii) academic or research institution?</p>	<p><b>21/05/2015</b></p> <p>It is up to the tenderer to justify that at least 1 member of the proposed team has, or has had, a senior position in an academic or research institution.</p> <ul style="list-style-type: none"><li>• As an example, a senior position could cover staff having responsibility for and actively participating in the planning, management and supervision of business processes involving other staff, with a view of meeting the objectives of the organisation.</li><li>• The tender specifications do not stipulate whether the person must currently hold such a position and/or for how long.</li><li>• Finally, an academic institution is an educational institution dedicated to education and research, which grants academic degrees, and a research institute is an establishment endowed for doing research (ref Wikipedia).</li></ul>
