## Call for tenders question list

## Call for tenders questions summary

#	Submission date	Publication date	Question subject	Question	Answer
1	14/07/2021 14:00	15/07/2021 12:50	Tender for all lots - cannot bid.	I received the invitation for below tender for service contract and after checking the documents I saw the request relates also for microscopes which are not ours like JEOL, Tescan or CAMECA. As it's submission for all lots, we cannot bid for it. The only tools which belongs to us are: • Quattro S 9950693 – need to check whether contract can be offered as of radioactive enviroment • Versa 3D LoVac 9921070 – need to check whether contract can be offered of radioactive enviroment • Tecnai G2 F20XTTMP D541 – we cannot offer contract • XL40 D737 – we cannot offer contract Could you please how would you like to proceed in this case?	<b>15/07/2021</b> We confirm that the current call for tenders refers to ALL the equipment listed. The purpose of this call for tenders is to have a maintenance contract that covers ALL the machines listed in the tender documents.
2	15/07/2021 14:20	15/07/2021 16:13	Not possible to bid for this tender.	Unfortunately we cannot bit for this tender - we cannot offer service contract for all the microscopes listed there.	<b>15/07/2021</b> We would like to thank you for your interest in the call for tenders and regret that you cannot submit an offer.
