1	10/06/2015 10:59	10/06/2015 15:34	Clarification of Task 3 in the terms of reference	Under Task 3 concerning "sector based initiatives by retailers, if taken in the context of the Retail Forum", in the third paragraph on page 12 of the specifications. Can you please specify what these "sector based initiatives" refer to or where we can find further information on this? I was not able to find clear answers to this from the REAP website.	10/06/2015 Basically two kinds of commitments can be taken and monitored. Individual (one retailer) or "Sectoral". In the context of the Retail Forum "sector based initiative" means a commitment shared by all or most of all members of the forum and potentially extended to additional retailers on a voluntary basis.
