1	09/11/2021 10:45	18/11/2021 14:18	Technical capacity terms	In case of applying by the consortium, is requirement "Value of the services carried out by the candidate must be at least EUR 300 000 for each contract" mandatory for all consortium members or only for the lead company? And if its mandatory for all members will the contract signed, but not fulfilled yet (and services provided at current moment are below 300 000) considered as valid.	18/11/2021 Additional information to contract notice under Section 16 stipulates: "Candidates are allowed to refer either to projects completed or started within the reference period. Only the portion satisfactorily completed during the reference period will be taken into consideration. If a candidate has implemented the project in a consortium, only the portion successfully implemented by the candidate as a consortium member during the reference period will be taken into consideration. This portion will have to be supported by documentary evidence (statement or certificate from the entity which awarded the contract, proof of payments, etc.) at a tender stage. If a candidate has implemented the project in a consortium, the percentage that the candidate has successfully completed within the reference period must be clear from the documentary evidence, together with a description of the nature of the services provided."

2	15/11/2021 08:40	18/11/2021 14:20	Expression of Interest Stage Clarification Request about the Technical Criterion 16.3.3	Regarding the Article 16.3.3) Technical Capacity of the Additional Information to the Contract Notice document: "The candidate has provided services under at least one contract delivering communication services addressing external audiences, which was implemented in either the EU Enlargement context (Albania, Bosnia-Herzegovina, Kosovo, Republic of North Macedonia, Montenegro, Serbia, Turkey) or addressing one or several Eastern Partnership countries (Armenia, Azerbaijan, Belarus, Georgia, Moldova, Ukraine)" Can you please clarify if the requested references have to be about communicating the EU in EU Enlargement or Eastern Partnership countries, or if they can also be commercial references which were implemented in EU Enlargement and EaP countries?	18/11/2021 The additional information to the contract notice, Section 16, defines three selection criteria regarding the technical capacity of the candidate. The third criteria is defined as follows: "The candidate has provided services under at least one contract delivering communication services addressing external audiences, which was implemented in either the EU Enlargement context (Albania, Bosnia-Herzegovina, Kosovo, Republic of North Macedonia, Montenegro, Serbia, Turkey) or addressing one or several Eastern Partnership countries (Armenia, Azerbaijan, Belarus, Georgia, Moldova, Ukraine)." The text does not distinguish between communication services in governmental/EU context or private sector context on this specific selection criterion.
