Call for tenders questions summary

#	Submission date	Publication date	Question subject	Question	Answer
1	25/08/2015 14:56	02/09/2015 10:27	Query about Tender Specification	Regarding paragraph "The tenderer must prove experience of at least 3 years in EU legislation and national policies with emphasis on areas covered by the three water industry related Directives (Drinking Water Directive, Urban Waste Water Treatment Directive, Bathing Water Directive). The tenderer should also demonstrate experience of at least 3 years on related key EU legislation and policies with impacts on the water environment, such as the Water Framework Directive, particularly those with relevant trans-boundary and national dimension with at least 2 projects delivered in this field in the last three years with a minimum value for each project of € 150.000" (page 8, Tender Specifications); please, I would appreciate if you could confirm with us that the requirement associated with amount of 150.000 euros is for each one of the two projects related to key UE legislation and policies with relevant trans-boundary and national dimension delivered in the last three years. Thank you in advance.	02/09/2015 As mentioned in the tender specifications under chapter 2.3.2.a. first bullet, at least two projects should be delivered in the relevant field with a minimum value for each project of € 150.000
