Additional information no. 7

Dear Madam/Sir,

Following our receipt of questions from a Tenderer concerning the above-mentioned Invitation to Tender, please note the following:

---

**Q21** *We noticed an anomaly in the Specimen Quotations of the call for tender in subject. It concerns the price post D100001 which is not included in the calculation of the total in the quotation 12 (line 195), neither in the summary of all the quotations (line 221). Can we rectify the file taking into account the price post D100001 or shall we leave the file as it is?*

**A21** The estimation form for lot 1 has been updated. Tenderers are kindly requested to download the latest version of the relevant document from [http://www.publications.europa.eu/tenders/our/index\\_en.htm](http://www.publications.europa.eu/tenders/our/index_en.htm) or from the document library at <https://www.etendering.ted.europa.eu/cft/cft-display.html?cftId=145> and use these to prepare their tender.

If tenders were presented based on the previous estimation form, tenderers will be requested to confirm the new estimation during the evaluation.

---

Yours faithfully,

*Maria Manuela Cruz*
