2. This contract will be awarded in two steps. As a first step, if you are interested in this contract, you should submit a request to participate in one of the official languages of the European Union.

The first step, said selection phase, will consist in the evaluation of the requests to participate based on the exclusion and selection criteria, as stated in sections III.1 and III.2 of the Tender Specifications.

Please note that some terms of the Tender Specifications are confidential and will be made accessible only to selected candidates.

For the second step, said award phase, only the selected candidates will be invited to submit a tender and will receive unrestricted access to the Tender Specifications. Any tender received from a legal or natural person not invited to tender will be rejected.

After the opening of the requests to participate:

If obvious clerical errors in the request to participate need to be corrected or confirmation of a specific or technical element is necessary, the contracting authority will contact the candidate provided this does not lead to substantial changes to the terms of the submitted request to participate.

7. This invitation to submit a request to participate is in no way binding on the contracting authority. The contracting authority's contractual obligation commences only upon signature of the contract with the successful tenderer.
8. Up to the point of signature, the contracting authority may cancel the procurement procedure without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
9. Once the contracting authority has opened the request to participate, it becomes its property and it shall be treated confidentially.
