

Corrigendum No 1 to the Tendering Specifications relating to EDA Public Procurement Procedure bearing reference:

18.CAT.OP.137 “Cyber Defence Technology Landscaping”

In the Tender Specifications, section 1.6.3, page 20:

Instead of:

To successfully perform the tasks of the FWC, the contractor is expected to deploy a team of experts covering the following fields of expertise or topics:

- Project Management
- Knowledge about Cyber Security/Cyber Defence/Information Security research activities
- Knowledge about Cyber Security/Cyber Defence state-of-the art technologies and trends
- Knowledge about cyber defence/information security specificities for military communications and information systems
- Knowledge of the Cyber Security Industry

The man-day efforts expected for each task have been estimated by EDA and are provided in the Financial Offer Form (Annex 4.6).
