

**ANNEX I - BASIC INFORMATION FILLED IN BY THE COMMISSION (from pil**

[illegible]

ots)

**ANNEX II - TABLE TO BE FILLED IN BY MEMBER STATES**

(1) If the agglomeration is not compliant, give the expected date of completion of work  
(2) If the agglomeration is not compliant give the expected date (completion of work + 12 months of compliant monitoring data for performance)  
(3) If the agglomeration has several treatment plants the worst treatment result should be used to set the standard for the overall result  
(4) Give detail of type(s) of treatment 0: no treatment, 1: primary treatment, 2: secondary treatment, 3: more stringent treatment, N: nitrogen removal, P: phosphorus removal, m: microbiological removal

[illegible]

**ANNEX III - TABLE TO BE FILLED IN BY MEMBER STATES FOR AGGLOMERATIONS  
CONSIDERED NON COMPLIANT IN THE COMMISSION'S BREACH LIST BUT  
CONSIDERED AS COMPLIANT BY THE MEMBER STATE**

NB: Agglomerations considered Non Compliant by the Commission and Non Compliant by the Member State may also report samples, if considered necessary by the Member State.

(1) give detail of type(s) of treatment 0: no treatment, 1: primary treatment, 2: secondary treatment, 3: more stringent treatment, N: nitrogen removal, P: phosphorus removal, m: microbiological removal
